INTERSTATE 35W TxDOT PROJECT TRACKER

Connecting You With Texas

OVERVIEW

The Interstate 35W improvement project spans 18 miles in Fort Worth and includes a section currently ranked sixth on the state's most congested roadways list. Plans to reduce congestion by doubling capacity include interim projects to reconstruct the existing lanes and add two TEXpress Lanes in each direction.

This project is being built in segments. The NTE Mobility Partners Segments 3, LLC (NTEMP3) constructed Segment 3A, from north of I-30 to north of I-820 including the I-35W/820 interchange. The Texas Department of Transportation (TxDOT) constructed Segment 3B, from north of I-820 to US 81/287. NTEMP3 began construction on Segment 3C in summer 2020. The 6.7-mile project will extend improvements from US 81/287 to Eagle Parkway.

I-35W currently carries 129,000 vehicles daily near downtown Fort Worth and 167,000 vehicles north of I-820. Approximately 11 percent of these vehicles are trucks.

Future I-35W at SH 170

PROJECT HISTORY

- January 29, 2009 CDA conditionally awarded to NTEMP.
- July 6, 2011 NTEMP3 and TxDOT completed a Facility Implementation Plan (FIP) for 3A/3B.
- April 24, 2012 The U.S. Department of Transportation announced that TxDOT entered the final stage for a \$531 million Transportation and Infrastructure Finance and Innovation Act (TIFIA) loan to help construct Segment 3A.
- **Sept. 2012** TxDOT awarded a contract for 3B to Lane Construction.
- March 1, 2013 A facility agreement between TxDOT and NTEMP3 was signed.
- Sept. 19, 2013 3A financial close.
- July 19, 2018 I-35W grand opening.
- Feb. 2019 The Texas Transportation Commission authorized the Private Activity Bond Surface Transportation Corporation to take all actions necessary for the issuance of private activity bonds to construct Segment 3C.
- Aug. 8, 2019 3C financial close.

PROJECT PROGRESS

THE 3A PORTION: (I-30 to I-820)

- Project is complete.
- In downtown Fort Worth, new direct connectors to and from the I-35W TEXpress Lanes at Belknap Street/ Weatherford Street opened in January 2019.

THE 3B PORTION: (I-820 to US 81/287)

Project is complete.

THE 3C PORTION:

- The first bridge beams were recently installed on the project.
- Work continues on the future I-35W mainlanes at North Tarrant Parkway.
- The project is currently 13 percent complete.

PROJECT FACTS

LENGTH

- Segment 3A (I-35W from N of I-30 to N of I-820 including the I-35W/I-820 interchange) 6.5 miles
- Segment 3B (I-35W from N of I-820 to US 81/287) 3.6 miles
- Segment 3C (I-35W from US 81/287 to Eagle Parkway) 6.7 miles

TEXPRESS LANES

Segments 3A, 3B, & 3C: Two NB & SB lanes

COST

- Segment 3A: \$1.4 billion
- Segment 3B: \$256 million
- Segment 3C: \$950 million

FUNDING

- Segment 3A: \$531 million federal TIFIA loan; \$430 million developer equity; \$274 million Private Activity Bonds (PABs); \$127 million provided by the Metropolitan Planning Organization; \$46.5 million interest income
- Segment 3B: \$245 million public funding; \$8.4 million developer equity; \$2.4 million PABs
- Segment 3C: \$653.9 million PABs; \$96.1 million PABs premium; \$24 million interest income; \$160.2 million developer equity; \$14.4 million public funding for right of way

RIGHT OF WAY

- Segment 3A: Complete
- Segment 3B: Complete
- Segment 3C: In progress

CONSTRUCTION DATES

- Segment 3A: Construction start May 2014; substantial completion - July 2018
- Segment 3B: Construction start April 2013; substantial completion - Dec. 2016
- Segment 3C: Construction start -Summer 2020; substantial completion -Late 2023
